Thanks Gary, I am forwarding this information to Jenny for scheduling. We can prepare the BOL for you if needed. Just make copies of the manifest of the last contained to send with the driver.

Thank You,

Gary

I will not be on-site but we have a bill of lading(s) that I have signed that we can fill out for your pickup. I am not sure if this will be an issue but we have only transferred the waste out of VB639 but have not yet shipped it to Veolia. Vb640 is ready to go for sure.

Thanks
Gary
